

- Who will be teaching the seminars?

Selection and Training of Instructors and Mentors

● INSTRUCTORS

Student-centered instructors will be selected to teach these seminars.

Seminar instructors will be provided the necessary latitude to capitalize on their unique pedagogical strengths.

Instructors will receive 3 days of training before their first class.

An outside consultant will be hosted on campus once a year for on-going faculty training.

● PEER MENTORS

To qualify for this position, students must have a minimum GPA of 2.5 and must have upper-class standing in their respective colleges.

Peer Mentors will receive 1 1/2 days of training before the semester begins.
