

DISCLOSURE REGARDING PROGRAM PREPARATION FOR PROFESSIONAL LICENSURE OR CERTIFICATION

COLLEGE	College of Education and Human Development
PROGRAM	Master of Education in Educational Leadership

The University of Louisiana at Lafayette is committed to providing clear and accurate information to current and prospective students to help inform career planning. The UL Lafayette program identified above prepares students to practice in a field with professional licensure or certification available. However, specific licensure and certification requirements can and often do vary by state. Requirements typically include earning a degree or other educational credential in the field from an institution and program that meet certain eligibility requirements in that state (e.g., curricular requirements, accredited status, approval by the state licensing board); passing a state or national exam; working in the field for a minimum period of time; and/or completing a certain number of clinical hours. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice.

UL Lafayette Program Preparation in the State of Louisiana

Educational Leaders must be certified by the state in which they work. Certification requirements may vary by state and educators must verify requirements with the certification officer in the state they are seeking certification. Students completing a Master of Education in Educational Leadership at UL Lafayette are prepared to seek these credentials.

Requirements set by the Louisiana Department of Education for **School Leaders** include:

- Passing the Praxis II School Leaders Licensure Assessment

Requirements set by the Louisiana Department of Education for **Superintendents** include:

- Passing the Praxis II School Superintendent Assessment

We advise you to review the Louisiana Department of Education's requirements found at <https://www.teachlouisiana.net/teachers.aspx?PageID=12311128> and on the ETS Praxis website at <https://www.ets.org/praxis/la/test-takers/plan-your-test/score-requirements.html>.

UL Lafayette Program Preparation in Other U.S. States

We are currently unable to determine whether or not the above-named program meets the educational requirements for graduates to be eligible to apply for licensure or certification in any additional states.

If you have an interest in pursuing licensure or certification outside the state of Louisiana, we advise you to determine whether or not this program meets the educational requirements for graduates to be eligible to apply in that location. You are welcome to reach out to the UL Lafayette program contact identified below with questions in this regard, and we will do our best to assist you in your career planning.

UL Lafayette Program Preparation Outside the United States

This disclosure does not address program eligibility in countries outside the United States. We are unable to determine whether or not the above-named degree program meets the educational requirements for graduates to be eligible to apply for licensure or certification outside the United States. Again, it is important to become educated on the credentialing requirements in the location in which you hope to practice.
